## 2 Hour Classes

8:00-10:00am

<b>Ready Set Go!</b> <b>*Incoming 4K*</b> No Fee	This class is designed to help your child get ready for 4-year-old Kindergarten. We will begin each day with a story and end with some music. There will be a time to play with friends, do a few art projects, outside time and maybe some cooking!  <i>Instructor: Mrs. Holland</i>
<b>Music and Movement</b> Grade K-2 No Fee	Get ready to move and groove in this fun summer class! Students will practice identifying patterns, develop listening skills, and follow directions by playing instruments, dancing, singing, and more!  <i>Instructor: Mrs. Burdick</i>
<b>Simple Science</b> Grade K-2 No Fee	Do you like to solve mysteries or discover how things react together? Then this class is for you! Students will use science equipment to explore and learn about the world around them. We will explore the scientific method and do hands-on experiments every day.  <i>Instructor: Mrs. Brotz</i>
<b>Arts &amp; Crafts Adventure</b> Grade K-2 No Fee	It is time to get crafty! We will explore a variety of ways to create art and craft projects; drawing, painting, paper mache, stitchery, modeling clay, beadwork, etc. Projects will be based on student interest, so bring your imagination and creativity!  <i>Instructor: Ms. Mussell</i>
<b>Fabulous Fun Science</b> Grade 2-4 No Fee	Call all scientists! Get ready to explore and do hands-on science experiments. We will be exploring rockets, bridges, and glow in the dark paint to just name a few. Get your brains thinking and your hands dirty in this fun, engaging class!  <i>Instructor: Mrs. Mashack</i>
<b>Animal Care &amp; Goat Yoga</b> Grade 3-5 No Fee	We will do a small session of goat yoga. We will be potentially caring for baby chicks, goats, and baby cows called (calves). We will learn about the different parts of the animals and what they eat and drink.  <i>Instructor: Mrs. MacGowan</i>
<b>Kind Kids Make a Difference</b> Grade 3-8 No Fee	Do you want to make a difference in our community? Are you interested in learning how others make a difference in our community and why they choose to do that? Through various service projects that help the elderly, our local heroes, dogs, veterans, and others in need, you will truly make a difference if you join this class! Others will share their experiences as volunteers to help those in need and more. Join us to make a difference!  <i>Instructor: Mrs. Geisthardt</i>

<p><b>Can You Solve It?</b> Grade 6-8 No Fee</p>	<p>Students will use and develop critical thinking skills through activities such as coding, Cipher Puzzles, and “Break Out” Challenges. Coding activities will include Dash/Dot robots, ozobots, meeper bots, and more. Online programs such as kodable, scratch jr, and code.org will also be used. Cipher puzzles will include challenges involving riddles, math, and puzzle games. Students will also work in teams to try a few Library “Escape Rooms”. Join Mrs. Ranker in her love for puzzles - if you’re up for the challenge!</p> <p><i>Instructor: Mrs. Ranker</i></p>
----------------------------------------------------------	------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

**2 Hour Classes  
10:00-12:00pm**

<p><b>Math Fun &amp; Games</b> Grade K-2 No Fee</p>	<p>Math is really fun! It really is! With great books, jokes, and many games to play, let Mrs. Geisthardt show you how much fun math can be! And these will strengthen the math skills you already have plus help you learn new math skills. Join us for lots of math fun!</p> <p><i>Instructor: Mrs. Geisthardt</i></p>
<p><b>Diggin the Dino’s</b> Grade K-2 No Fee</p>	<p>Join us as we ‘dig in’ and learn about the ‘terrible lizards’ of the past. In this ‘hands on’ class we will create dinosaur art, sing dinosaur songs, dig out a dinosaur and learn about these awesome creatures.</p> <p><i>Instructor: Ms. Brotz</i></p>
<p><b>A Day at Summer Camp</b> Grade K-2 No Fee</p>	<p>Come check out this fun summer camp each day! We will explore, create, sing, dance, cook, and play our way through 15 days of camp activities. Each day will be a new adventure!</p> <p><i>Instructor: Mrs. Holland</i></p>
<p><b>Kids in the Kitchen</b> Grade 2-4 No Fee</p>	<p>Have you ever wanted to learn more about foods and cooking? Well this is the class for you! Come and explore different types of foods, learn kitchen safety, and design recipes in this fun and engaging cooking class.</p> <p><i>Instructor: Mrs. Mashack</i></p>
<p><b>Can You Solve It?</b> Grade 3-5 No Fee</p>	<p>Students will use and develop critical thinking skills through activities such as coding, Cipher Puzzles, and “Break Out” Challenges. Coding activities will include Dash/Dot robots, ozobots, meeper bots, and more. Online programs such as kodable, scratch jr, and code.org will also be used. Cipher puzzles will include challenges involving riddles, math, and puzzle games. Students will also work in teams to try a few Library “Escape Rooms”. Join Mrs. Ranker in her love for puzzles - if you’re up for the challenge!</p> <p><i>Instructor: Mrs. Ranker</i></p>
<p><b>Elementary Spanish</b> Grade 3-5 No Fee</p>	<p>In this class, students will be introduced to basic vocabulary and their use in the Spanish language: alphabet, basic phrases, numbers, colors, classroom objects, animals, body parts, clothing, fruits and vegetables, and verbs. We will also explore the rich cultures and history of the countries that identify Spanish as a primary language.</p> <p><i>Instructor: Mrs. Burdick</i></p>

<b>Handmade Books</b> Grade 3-8 No Fee	This class will explore a wide variety of bookmaking techniques and students will be able to create keepsakes for themselves and loved ones! We will reuse/recycle various materials to make sketchbooks, journals, and flipbooks. Please bring at least two cereal boxes with you to class (to make book covers).  <i>Instructor: Ms. Mussell</i>
<b>Animal Care &amp; Goat Yoga</b> Grade 6-8 No Fee	We will do a small session of goat yoga. We will be potentially caring for baby chicks, goats, and baby cows called (calves). We will learn about the different parts of the animals and what they eat and drink.  <i>Instructor: Mrs. MacGowan</i>

### Additional Offerings

<b>Beginning Band</b> Grade 4 No Fee Schedule Varies	Current 4th grade students are eligible for the Beginning Band class, which is intended to expose your student prior to next year's 5th grade band class. Students will learn instrumental techniques, as well as instrument care and maintenance for their preselected instruments. These lessons will run in the afternoons during the days of summer school. Students are welcome to attend lessons every day, as many as possible.  <i>Instructor: Mrs. Fishbaugher</i>
<b>Instrumental Music</b> Grade 5-12 No Fee Schedule Varies	Students will be scheduled for two lessons weekly. In order to give students small group lessons, a schedule will be created once the registration period has closed. If you would like a summer lesson time you must complete and return a summer school registration form. If you have a specific time request or if a certain day of the week works better than others, please let Mrs. Fishbaugher know so she can try to accommodate as much as possible. Call with any questions. 920-295-6571 ext 1214  <i>Instructor: Mrs. Fishbaugher</i>
<b>Supervised Breakfast/Lunch</b> 18 and under No Fee Breakfast 7:30 – 8:00 Lunch 12:00 - 12:30	Students are welcome to eat breakfast and lunch under the supervision of school staff.  Breakfast and lunch will be offered daily to <b>all students and community members age 18 and under</b> . You will not have to be enrolled in summer school classes to come have a lunch. Students may also choose to bring their own lunch.
<b>Summer Recreation Program</b> Grade K-5 \$45.00 Fee* 12:30 – 4:00pm	Extend your child's fun and learning every day during summer school with afternoon activities that will include: arts and crafts, water games, sports, scavenger hunts, relay races, library activities and more!  *Families that qualify for free and reduced meals will have the summer recreation fee waived.
